Exams are around the corner teachers and parents spend a lot of time helping the children. Exams demand focus, strategy, and diligence. Preparations involve understanding key concepts, practising with past papers, and creating concise notes. Allocate time wisely, prioritizing weak areas while reviewing strong ones. Utilize active learning techniques like flashcards or group study sessions to reinforce understanding. Maintain a balanced lifestyle with sufficient sleep, exercise, and healthy meals to optimize cognitive function. Embrace stress management techniques such as meditation or deep breathing exercises to stay calm under pressure. Stay organized with a study schedule and set achievable goals. Lastly, believe in yourself and stay positive; confidence is the key to tackling any exam challenge. All the best.....!!!

PIONEERING BATCH GEARS UP FOR CBSE BOARD EXAMS

Amidst a flurry of preparation and anticipation, the first batch of students from JVK School is fervently gearing up to confront the CBSE board examinations. With the unwavering guidance of their dedicated teachers, both class X and XII students are leaving no stone unturned in their quest for academic success.

In a proactive move to ensure every student is well-prepared, JVK School has initiated special support measures for slow bloomers in each class. These students have been encouraged to attend supplementary sessions at the school, where teachers provide personalized assistance tailored to their individual learning needs. Furthermore, sample papers and last-minute learning materials have been distributed to all students, equipping them with the necessary tools to excel in their exams.

Teachers at JVK School have been diligently addressing student doubts and concerns, offering guidance and clarification whenever necessary. This proactive approach has fostered an environment of confidence and reassurance among students, allowing them to approach their exams with a sense of readiness and assurance.

With meticulous preparation underway, the class X board examinations commenced on 20th February 2024, followed closely by the class XII

examinations on 22nd February 2024. These dates mark a pivotal moment for the students, as they put their knowledge and skills to the test under the watchful eyes of the CBSE board.

As the examinations progress, both students and teachers at JVK School are united in their shared goal of achieving commendable marks. Their collective efforts, fueled by hard work, guidance, and the blessings of God, epitomize the school's commitment to academic excellence.

As the pioneering batch of JVK School navigates the challenges of the CBSE board examinations, the spirit of determination and perseverance shines brightly. With the unwavering support of their teachers and a firm belief in their abilities, these students are poised to make their mark in the academic arena. As the exams unfold, JVK School remains steadfast in its mission to empower students to realize their full potential and emerge victorious in their educational journey.

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

HOLY MASS INSPIRES FAITH AND UNITY AHEAD OF BOARD EXAMS

In a poignant display of faith and solidarity, JVK School recently organized a holy mass on Tuesday, 13th February 2024, in the school's indoor auditorium. This spiritual gathering aimed to seek divine blessings for the class X and XII students as they prepared to face their board examinations.

Led by Reverend Father Thurai Sebastien, Rector of MMI, the holy mass was a solemn occasion where prayers were offered for the well-being and success of the students. Reverend Father Thurai Sebastien also bestowed blessings upon the students' hall tickets and examination materials, invoking divine guidance for their academic endeavors.

The sacred ceremony was graced by the presence of esteemed members of the school management, including Sister Roselin, the Campus Superior, Mr. Ignatius Xavier, the Director, and Mr. Manoj, the Principal. Additionally, Sister Pousiyammal, Vice Principal Mrs. Lalitha, and all the higher secondary teachers joined the students in seeking divine intervention for their upcoming examinations.

The holy mass witnessed active participation from both class X and XII students, who offered their prayers and reflections amidst the tranquil ambiance of the auditorium. It was a moment of collective spirituality and introspection, as students sought solace and strength in their

faith during this pivotal time in their academic journey.

The holy mass organized by JVK School served as a poignant reminder of the importance of faith and community support in times of challenge and uncertainty. As the class X and XII students embark on their board examinations, they carry with them the blessings and well-wishes bestowed upon them during this sacred ceremony. With faith as their guiding light, they march forward with confidence, fortified by the collective prayers and support of their school community.

A HEARTFELT SEND-OFF FOR CLASS XII STUDENTS

In a poignant display of camaraderie and nostalgia, JVK School recently hosted a farewell party to honor the graduating class XII students. The event, meticulously organized by the teachers and school management, took place on the 19th of February 2024 at 4:30 PM in the school auditorium. Chaired by esteemed figures including Campus Superior Sr. Roselin, Principal Mr. Manoj V A, and Vice Principal Mrs. Lalitha, the occasion marked the culmination of the students' academic journey at JVK School.

The atmosphere was charged with emotion as the proceedings commenced with a soul-stirring prayer song, setting the tone for a reflective and heartfelt gathering. A teacher led a poignant

invocation, invoking blessings and guidance for the departing students as they prepare to embark on new endeavours beyond the familiar corridors of JVK School.

As emotions ran high, the teachers who had served as mentors and guides throughout the students' educational odyssey took the stage to share their thoughts and well-wishes. Each teacher offered heartfelt reflections, reminiscing about shared experiences, academic triumphs, and personal growth. Their words resonated deeply with the graduating class, serving as a testament to the profound impact of their guidance and mentorship.

Following the teachers' tributes, it was the students' turn to take centre stage. With a mixture of gratitude, nostalgia, and anticipation, they shared their reflections on their time at JVK School. From fond memories of classroom camaraderie to heartfelt expressions of appreciation for their teachers' unwavering support, their words encapsulated the bittersweet essence of bidding farewell to their alma mater.

Amidst the poignant farewells, Campus Superior Sr. Roselin imparted words of wisdom and encouragement, reminding the departing students of the resilience and determination they possess as they navigate the next chapter of their lives. Principal Mr. Manoj V A echoed these sentiments, offering his insights and aspirations for the continued success and growth of the graduating class beyond the confines of the school.

As the farewell party drew to a close, the auditorium reverberated with a sense of shared camaraderie and unity. The event served as a poignant reminder of the profound bonds forged between students and teachers, as well as the enduring legacy of their collective journey at JVK School. As the class XII students bid adieu to their alma mater, they carry with them not only cherished memories and lifelong lessons but also the unwavering support and blessings of their school community.

JVK PRE-BOARD EXAMS: READINESS TRIUMPHS

In preparation for the upcoming board examinations, JVK School recently conducted pre-board exams for both class X and XII students from 7th February 2024 to 13th February 2024. This crucial phase served as a litmus test for students, gauging their readiness and fortitude as they approached the final hurdle of their academic journey.

Throughout the examination period, students demonstrated commendable dedication and resolve, approaching each paper with honesty and determination. Their diligent preparation and unwavering hope underscored their commitment to academic excellence, as they aimed to showcase their knowledge and skills to the best of their abilities.

Meanwhile, teachers played a pivotal role in the evaluation process, meticulously assessing the papers and providing timely feedback to students. The distribution of evaluated papers served as a valuable learning tool, allowing students to identify and rectify their mistakes while gaining a deeper understanding of the subject matter.

Furthermore, the engagement between students and teachers extended beyond the examination hall, with students actively seeking clarification and guidance on various questions. Their eagerness to learn and willingness to engage with academic challenges underscored their genuine interest and dedication towards their studies.

As the pre-board exams drew to a close, the collective efforts of students and teachers reflected the collaborative spirit and commitment to academic excellence that defines the ethos of JVK School. Armed with newfound insights and fortified by their experiences, students are now poised to face the board examinations with confidence and determination, ready to overcome any obstacles that may come their way.

JVK SCHOOL EMBARKS ON ACADEMIC JOURNEY WITH FOCUS AND STRUCTURE

As the academic year 2024-25 unfolds, JVK School is gearing up to provide a nurturing and empowering environment for its classes X and XII students.

With the commencement of the new academic session, the school has initiated a series of measures aimed at fostering a culture of academic excellence and student engagement.

Unified Syllabus and Structured Learning:

Teachers at JVK School have received a unified syllabus from the DFT, laying the groundwork for a focused and structured approach to learning. This standardized curriculum ensures consistency in educational content across classrooms, providing students with a solid foundation for their academic pursuits.

Commitment to Academic Excellence:

Armed with a steadfast commitment to academic excellence, educators at JVK School are diligently imparting lessons with clarity and precision. They prioritize addressing student queries promptly, ensuring that every student has a thorough understanding of the subject matter. Through their dedication and expertise, teachers strive to inspire and empower students to reach their full potential.

Promotion of Attendance and Engagement:

Recognizing the importance of consistent attendance and active engagement, students have been advised against frequent absences. The school has implemented a regimen of weekly tests designed to assess students' progress and understanding. These assessments not only serve as checkpoints for academic development but also encourage students to remain focused and engaged in their studies.

Parental Involvement and Support:

In a bid to foster parental involvement and support, JVK School ensures the timely distribution of test papers every Wednesday. This allows parents to closely monitor their child's academic performance and provide necessary guidance and encouragement. By establishing a strong partnership between the school and parents, students receive comprehensive support in their educational journey.

students as they embark on their academic journey in the current academic year. Through a combination of structured learning, parental involvement, and student engagement initiatives, the school aims to foster holistic development and equip students with the skills and knowledge needed to thrive in an ever-evolving world.

As JVK School forges ahead into the academic year 2024-25, it remains steadfast in its mission to provide a conducive learning environment where every student has the opportunity to excel and succeed.

PERIODIC ASSESSMENT I:

The academic calendar kicked off with the commencement of Periodic Assessment I on 26th February 2024, encompassing both grade X and XII. The question papers, standardized by the DFT, serve as a benchmark for student performance and serve as a catalyst for redoubling efforts towards academic success. This milestone marks a pivotal moment for students, motivating them to maintain a steadfast focus on their studies right from the outset of the academic year.

NURTURING STUDENT GROWTH AND EMPOWERMENT

With a comprehensive framework in place and a collective commitment to excellence, JVK School is dedicated to nurturing and empowering

CELEBRATING EXCELLENCE: JVK SCHOOL SHINES IN A TAPESTRY OF COMPETITIONS"

JVK School prides itself on fostering a culture of participation and excellence among its students. Across a spectrum of disciplines, our students have showcased their talents and knowledge through active engagement in various competitions. Here, we highlight their commendable participation and achievements:

The Indian Oil Science Quiz 2024

On February 6, 2024, students representing JVK School enthusiastically participated in The Indian Oil Science Quiz 2024, hosted at The Hindu Senior Secondary School in Chennai. This quiz aimed to delve into the practical applications of science in everyday life, as well as celebrate notable

scientific achievements and discoveries. The participants showcased their understanding and passion for science, earning participation certificates in recognition of their spirited involvement.

Young Mind 2024 Science Expo

A group of bright minds from Future X B—Prarthana, Innila, Shanjay Ganesh, Devadharshan, and Anmol—demonstrated their scientific acumen at the Young Mind 2024 Science Expo. Held at Saveetha Engineering College on February 5, 2024, this expo provided a platform for students to exhibit their innovative ideas and scientific projects. Their dedication and depth of knowledge were duly acknowledged as they secured the first prize, a testament to their hard work and ingenuity.

CELENZA 2024 Cultural Competition:

The cultural fabric of JVK School was on full display as students from Future X & XII participated in the CELENZA 2024 Cultural Competition. This event, held at Saveetha Engineering College on February 17, 2024, served as a stage for students to showcase their diverse talents in areas such as group singing, dance, and debate. Among the standout performers was Thuyavan from Future X B, who clinched the third prize in the Tamil debate competition, exhibiting eloquence and critical thinking.

National Science Day Competitions:

February 28, 2024, marked National Science Day, and JVK School students made their mark in the celebrations. Grade 8 students, brimming with confidence and knowledge, participated in speech and quiz competitions held at SRM Institute of Science and Technology, Vadapalani. Their eloquent speeches and adept handling of quiz questions earned them recognition, with the students securing the first and second prizes in the speech category. Additionally, they were honored with a consolation prize in the quiz competition, showcasing their prowess in both verbal articulation and factual comprehension.

The active participation of JVK School students in a myriad of competitions underscores their commitment to excellence and their enthusiasm for learning. Through these platforms, students not only showcase their individual talents but also contribute to the collective achievements of the school community. Their accomplishments serve as a source of pride and inspiration, motivating others to strive for greatness. JVK School remains dedicated to nurturing and empowering its students, ensuring they continue to excel in all their endeavors.

“COMPETITION STRENGTHENS CHARACTER AND REVEALS TRUE POTENTIAL”

ENRICHING MINDS: A SPECTRUM OF DYNAMIC SCHOOL ACTIVITIES

KITE FESTIVAL:

Kite Flying Festival festooned the Primary Wing of Joseph Vidhya Kshetra on the 9th of February. This fete was orchestrated as part of academics. Grades 1 & 2 actively participated in the event. The topic centred on the scientific principles underlying aviation and the mechanics of flight. Top of Form the materials used in kite making, and the cultural traditions associated with kites. Kite festivals in JVK were a delightful way to engage students in a fun and educational activity. The focal point of the festivities was undoubtedly the exhilarating activity of kite flying, adding vibrant colours and high-flying excitement to the celebration

Students and teachers collaborate to create and decorate kites. This includes designing the kite's shape, choosing colours, and adding personalized touches. Facilitators incorporated lessons about the history and significance of kite flying in different cultures and traditions associated with kites. Amidst the cheers and laughter, the school playground transformed into a lively spectacle as students, guided by teachers and volunteers, skillfully manoeuvred their kites, creating a mesmerizing dance of colours in the clear, sunny sky. Undoubtedly, the kite festival at JVK was an unforgettable and

enriching experience, fostering creativity, cultural appreciation, and teamwork among all participants, leaving an indelible mark on the school's vibrant spirit.

NO FLAME COOKING:

“Cooking with children is not just about ingredients, recipes, and cooking. It’s about harnessing imagination, empowerment, and creativity.” Hands-on cooking activities help children develop confidence and skills, leading to Social-Emotional development. Following recipes encourages children to be self-directed and independent, it also teaches them to follow directions and develop problem-solving skills. To enhance these skills, JVK hosted a fireless cooking activity for the children of grades 1 and 2.

The JVKians of Primary donned their ‘Chefs Caps’ to exhibit their culinary skills in the ‘Cooking Without Fire’ activity. It was a delicious sight to watch the little hands chopping and decorating away. Learners participated with full zeal and enthusiasm as they doled out nutritious and delectable delicacies. The event not only provided a platform to foster their creativity and decision-making skills but also helped them explore their hidden talents and discover new areas of interest. Through this activity, they learnt the spirit of teamwork, culinary skills

and appreciated the hard work that goes into cooking. Our learners prepared healthy dishes and yummy lip-smacking items like Cucumber Chocolate Rolls, Papaya Salad, Lemonade, Cashew Paan Delight, Strawberry Fantasy and many more using easy and quick recipes.

This event served as a powerful platform to raise awareness about the nutritional benefits of flameless cooking, emphasizing the importance and advantages of adopting a healthy diet. By engaging our learners in this initiative, we aimed to inspire them to make mindful choices and steer clear of unhealthy junk food options. The dishes prepared were presented in an artistic and aesthetic style by all of them and were indeed a treat for the eyes and tickling for our taste buds!!

"NURTURING PARTNERSHIP: COLLABORATIVE INSIGHTS AT THE PARENT-TEACHER FORUM"

Supporting the Growth of slow bloomers a Specialized Parent-Teacher Meeting was held at JVK on February 9th to bridge the gap between three stakeholders of a school: Educators, parents, and children. It established a communication channel and provided a chance for facilitators and parents to share their observations which allowed parents and educators to plan, organise and execute plans for a child's improved learning result. As they hold a critical collaborative role in the development of a

child. This conference at Joseph Vidhya Kshetra is special. It was not about giving feedback or discussing marks, it was about understanding the child beyond academics and analysing the lag data. The curriculum at JVK primarily focuses on personalised learning pathways, enabling a customised learning journey for each student and JVK relentlessly pursues advancements to uplift the students in its care, aiming for their continuous growth and success.

LEARNING DIFFICULTY ASSESSMENT FOR STUDENTS(GRADE1-8)

A learning difficulty assessment program is designed to assess individuals who may be experiencing challenges with learning. The counsellor Mrs. Anila administered various tests and assessments to identify specific learning difficulties and she provided recommendations for support and intervention. The goal of the assessment is to help individuals and their families understand their learning strengths and challenges and to access appropriate resources and strategies to improve their academic performance and overall well-being.

"Collaboration between parents and teachers is the key to unlocking a child's potential."

The specialized instruction given to children made them learn compensatory strategies to overcome their limitations. With the strategies given students developed their self-efficacy and self-esteem as they developed their toolbox of strategies!

JVK CAREER EXPEDITION: CONNECTING TALENT WITH OPPORTUNITIES AT THE TEACHER JOB FAIR

The calibre of education is intricately tied to the excellence of educators, underscoring the pivotal role teachers play in shaping the learning experience. With this thought in mind, the DFT group of schools conducted a Job Fair on the 10th of February. To choose the Educators passionate about shaping young minds, and making a difference in the lives of students and to Choose team members who'll best represent the institution during this season. More than 120 facilitators from various schools participated in the job fair allowing the DFT members to meet and connect with a large number of potential candidates in person It's valuable as it provides a platform to showcase the DFT's brand, engage with candidates directly, and expedite the hiring process by conducting

on-the-spot interviews and Demo classes. This teacher recruitment was a step forward in

the direction of emphasizing teacher competencies and skills as selection criteria

rather than merit alone. Throughout the course, the programme was properly structured and transparent. Following this event, the DFT group convened a conference to delve into their overall impressions and collaboratively identify and segregate the high-potential candidates. This strategic session aimed to ensure a thorough evaluation and selection process for the best fit within the group.

On the 17th of February second round of screening took place on the JVK campus. Sister Roselin, the campus superior, Mr. Ignatius Xavier, the director, and Mr Manoj, the principal, Academic coordinator Mr.Vijimon and Vice Principal Mrs. Lalitha, chaired the conference. In this round candidates showcased their skills and passion, further solidifying the selection process.

Candidates unable to participate in the direct interview process were invited to an online meeting, and their enthusiastic participation added an extra layer of dynamism to the interaction.

where to look but don't tell you what to see
-Alexandra K. Trenfor**

The candidate selection process proved to be highly fruitful overall, culminating in the identification of a highly efficient candidate for the DFT group of schools. This successful outcome reflects the commitment to excellence in recruiting top talent for the organization.

IGNITING EXCITEMENT: PREPARING FOR A DYNAMIC KIDS PROGRAM

St. Joseph Global Kids are gearing up for their graduation day which is a joyous and heartwarming ceremony that marks a significant milestone in a young child's life. It serves as a celebration of their achievements, growth, and readiness to embark on the next chapter of their educational journey. The preparation for this significant event began with the dedicated efforts of both students and educators. Numerous meetings were conducted to meticulously plan and organize every aspect of the graduation ceremony. The program framework was carefully structured, ensuring a seamless flow of events. Songs were selected and finalized, contributing to the musical charm of the ceremony. With enthusiasm in the air, practice sessions kicked off and continued in full swing, as students and educators collaborated to perfect each element, guaranteeing a memorable and smoothly executed preschool graduation event.

“Accomplishing the small things is the first step in achieving greatness - graduating shows that you’re well on your way!”
