## Principal's Desk

JVK's Start-Up Street program was a resounding success, showcasing young entrepreneurs and their innovative talents at the intra-school science exhibition and Start-Up Street program on October 26, 2025. The event highlighted the creativity and business acumen of students, providing a platform for them to present their ideas and products.

The program aimed to nurture an entrepreneurial spirit among students, encouraging them to think outside the box and develop solutions for real-world problems. By participating in Start-Up Street, students gained valuable experience in pitching their ideas, marketing, and financial planning.

The event featured various stalls and presentations, demonstrating the students' innovative projects and products. This initiative not only fostered innovation but also helped students develop essential skills, preparing them for future success. Overall, JVK's Start-Up Street program was an inspiring celebration of young talent and entrepreneurial spirit.

## THE ONSET OF TERM II: A JOURNEY OF REFLECTION, RENEWAL, AND RESOLVE

The Term II academic session at JVK commenced on 6th October, heralding the dawn of a new pedagogical chapter imbued with intellectual curiosity, creative exploration, and co-curricular vibrancy. The campus awakened to an atmosphere of renewed enthusiasm as students, invigorated by the experiences and reflections of Term I, stepped forward to embrace new academic challenges and opportunities for growth.

The faculty members meticulously outlined curriculum enrichment plans, innovative teaching methodologies, and goal-oriented performance frameworks tailored to each grade level. Departments collaboratively engaged in refining instructional approaches to promote critical thinking, experiential learning, and value-based education.

Across the classrooms and corridors of JVK, a palpable spirit of scholarly engagement and youthful dynamism pervaded the air. Discussions grew more analytical, projects more inventive, and participation more purposeful — embodying the school's ethos of holistic development through intellectual discipline and creative freedom.

This renewed academic journey stands as a testament to JVK's enduring vision of excellence, where every term is not merely a continuation of learning but a progressive evolution toward comprehensive education, nurturing young minds to become informed, responsible, and inspired global citizens.

## FOSTERING ACADEMIC SYNERGY THROUGH PARENTAL ENGAGEMENT

The Parent-Teacher Meeting (PTM) for Term I assessments was held on 11th October, encompassing the entire student fraternity from Kindergarten to Grade XII. The event served as an invaluable conduit for academic introspection, evaluative feedback, and collaborative strategizing between educators and parents.

The session provided a comprehensive appraisal of students' scholastic attainments, behavioural attributes, and co-curricular involvement. Teachers meticulously articulated each learner's strengths, learning curves, and areas necessitating pedagogical reinforcement, while parents actively engaged in dialogues aimed at reinforcing the home-school continuum.

This intellectual interface not only strengthened institutional transparency but also underscored the school's commitment to data-driven learning enhancement and holistic child development.

The day concluded on a note of mutual understanding and shared responsibility, affirming that education flourishes best through synergistic collaboration between the guiding hands of teachers and the nurturing support of parents.

## CULTIVATING INNOVATION AND ENTERPRISE: JVK'S INTRA-SCHOOL SCIENCE EXPO & STARTUP FOOD STREET 2025

On the 25th of October, the campus of JVK School transformed into a vibrant hub of innovation and creativity through its Intra-School Science Expo and Startup Food Street initiative. The event served as a remarkable platform where curiosity met creativity, providing students with an opportunity to explore, experiment, and exhibit their scientific and entrepreneurial skills.

The Science Expo showcased a wide spectrum of projects that beautifully integrated concepts of sustainability, technology, and scientific inquiry. Each exhibit reflected deep understanding, teamwork, and originality.

Parallely, the Startup Food Street captured the spirit of entrepreneurship in a lively and engaging manner. Students stepped into the roles of budding entrepreneurs—conceptualizing unique food ideas, designing appealing stalls, managing pricing strategies, and interacting enthusiastically with customers. The initiative fostered essential life skills such as leadership, collaboration, and financial literacy.

The entire campus buzzed with excitement as parents, teachers, and visitors immersed themselves in the festive ambience. The day concluded on a high note, celebrating the innovative spirit of JVK students—a generation of thinkers, innovators, and changemakers ready to redefine the future.

## KIPPS PUBLICATION HOSTS AI TRAINING SESSION FOR JVK FACULTY

On 11th October, Kipps Publication organized an enlightening training session on Artificial Intelligence (AI) tools that can be effectively integrated into the teaching and learning process. The session was hosted by Mr. Vivek from Kipps Publication and attended by facilitators from Kindergarten to Grade XII, marking a significant step toward advancing digital proficiency among educators at JVK.

Mr. Vivek provided an engaging and insightful overview of the emerging landscape of Generative AI. He introduced participants to various types of generative AI, including text-based, image-based, audio-based, video-based, and mixed or multimodal AI tools. Through practical demonstrations and interactive discussions.

The session concluded with a collective sense of enthusiasm and intellectual curiosity, as educators expressed their eagerness to explore AI-driven pedagogical approaches that align with the school's vision of holistic, future-ready education.

## CHARTING SUCCESS: A STEP TOWARD INFORMED CAREER CHOICES

On the 14th of October, JVK School organized an enlightening Career Guidance Programme for students of Grades IX to XII, aimed at empowering them to make informed academic and professional choices. The event was graced by Sr. Sasikala, Correspondent, DFT Group of Schools, Sr. Jeyanthi, Campus Superior, Mr. Ignatius Xavier, Director, Mr. Jebastin Robert Clive, Director, and Mr. Vijimon Iyyappan, Academic Coordinator. Their presence added immense value to the session, reflecting the institution's steadfast commitment to holistic student development.

The session was conducted by Mr. Ashwin, a distinguished career mentor and educational consultant, who provided an insightful orientation on major national-level entrance examinations such as NEET, JEE, and CUET. He elaborated on the eligibility criteria, syllabus frameworks, and effective preparation strategies for each examination, emphasizing the importance of early planning, perseverance, and self-discipline.

The programme proved immensely enriching, offering students a clearer perspective on diverse career avenues in medicine, engineering, and interdisciplinary studies.

The Career Guidance Programme reaffirmed JVK's vision of holistic, future-ready education, equipping students with both awareness and aspiration — essential tools for shaping successful futures.

## INSPIRING MINDS: JVK CELEBRATES THE LEGACY OF DR. A.P.J. ABDUL KALAM

As a part of the birth anniversary celebration of Dr. A.P.J. Abdul Kalam, JVK School organized a special assembly and a creative collage-making activity on the 15th of October. The event served as a heartfelt tribute to the “Missile Man of India,” whose life continues to inspire generations with his vision, humility, and commitment to education and innovation.

The assembly featured thought-provoking speeches, quotes, and reflections on Dr. Kalam's achievements and values, encouraging students to emulate his perseverance and patriotism. Following the assembly, middle school students enthusiastically participated in a collage-making activity, creatively depicting themes from Dr. Kalam's life — his scientific contributions, love for children, and dream of a developed India.

The celebration not only paid homage to one of India's greatest visionaries but also ignited in students a sense of purpose, creativity, and a drive to pursue excellence — true to Dr. Kalam's timeless message: “Dream, Dream, Dream — dreams transform into thoughts, and thoughts result in action.”

## ENHANCING BOARD READINESS THROUGH REVISION ASSESSMENTS

To reinforce academic preparedness and enhance examination readiness, JVK School conducted Revision Examinations for students of Grades X and XII from October 13 to 24. This academic initiative served as a vital platform for students to strengthen their conceptual understanding, refine their exam strategies, and build confidence as they prepare for their forthcoming Board Examinations. Throughout the examination period, students engaged in a systematic review of all major subjects, revisiting essential topics and practicing a variety of question formats that mirror board exam patterns. The assessments not only tested their knowledge but also helped them develop effective time management and problem-solving skills – essential traits for success in high-stakes examinations.

Teachers played an instrumental role by providing structured guidance, constructive feedback, and individual mentoring sessions. Their continuous support enabled students to identify areas for improvement, rectify learning gaps, and adopt focused revision techniques. Regular feedback sessions further motivated students to set academic goals and work diligently toward achieving them.

This initiative truly reflected JVK's unwavering commitment to nurturing academic excellence and holistic growth, ensuring that every student approaches their board journey with clarity, confidence, and competence.

## A DAY OF JOY AND ADVENTURE: KINDERGARTEN VISIT TO QUEENSLAND

The Kindergarten students of JVK School enjoyed a delightful one-day outing to Queensland, which took place on the 11th of October. The excursion was organized to provide young learners with a joyful and refreshing experience beyond the classroom. The little ones were filled with excitement as they explored the amusement park's colourful attractions and enjoyed the fun-filled rides under the careful supervision of their teachers. The day was marked by laughter, enthusiasm, and cheerful bonding moments among the children.

The trip offered a perfect blend of fun and experiential learning, helping students develop social interaction, confidence, and curiosity about the world around them. It was truly a memorable day for the Kindergarteners – one filled with smiles, laughter, and lasting memories.

## FESTIVAL OF LIGHTS: DIWALI CELEBRATION AT JVK

The festival of lights, Diwali, was celebrated with great enthusiasm and joy at JVK School on the 17th of October. The celebration commenced with a special prayer ceremony, invoking divine blessings for peace, prosperity, and happiness. The serene ambience of the campus was illuminated with the spirit of togetherness, reflecting the true essence of Diwali – the victory of light over darkness, knowledge over ignorance, and good over evil.

The event unfolded with a series of vibrant cultural performances that captivated the audience. Students presented graceful dance performances and a thought-provoking mime act that conveyed messages of harmony, unity, and compassion. The young performers showcased their talents with confidence and poise, filling the atmosphere with festive energy and joy.

The celebration beautifully blended tradition with creativity, as students and teachers came together to share the values that Diwali symbolizes – love, kindness, and the spirit of giving. The event not only spread festive cheer across the campus but also served as a gentle reminder of the importance of lighting not just lamps, but hearts, fostering positivity and goodwill in the community.

## KICKSTARTING THE SPLENDID JOURNEY: EUREKA SEASON 2.5 PREPARATIONS BEGIN

JVK School has officially kickstarted the preparations for its benchmark event – Eureka Season 2.5, an inter-school science expo that celebrates innovation, creativity, and scientific excellence. The grand event is scheduled to take place on the 8th of November, and preparations are in full swing to make it a truly memorable edition. Invitations were extended to various schools in person, through emails, and via phone calls, ensuring enthusiastic participation from a wide network of institutions. The organizing committee has meticulously structured and planned the programme, outlining a series of engaging scientific exhibits, competitions, and interactive sessions that will ignite curiosity and promote collaborative learning.

As one of the most anticipated academic events of JVK, Eureka Season 2.5 stands as a proud platform where young innovators showcase their brilliance, exchange ideas, and celebrate the joy of discovery. The entire JVK fraternity looks forward to hosting this splendid celebration of science and creativity.

## NUMBER NINJA: CELEBRATING THE JOY OF MATHEMATICS AT JVK

The Number Ninja Competition was held at JVK School on the 10th of October, offering an exciting platform for students to explore the fun and creativity behind mathematics. The event featured a series of innovative and age-appropriate competitions designed to make learning math an enjoyable experience for every grade level.

Each class took part in a unique activity — Grade 1: Ismath Hatter, Grade 2: Tick Tock Talent, Grade 3: Shape Town, Grade 4: Crafty Romans, Grade 5: Geometric Melodies, Grade 6: Creative Connectors, Grade 7: Origametry, and Grade 8: Math Parks. The activities beautifully combined logical thinking, creativity, and hands-on learning, allowing students to apply mathematical concepts in fun and engaging ways.

The competitions were displayed and conducted with great enthusiasm, and students showcased remarkable problem-solving skills and teamwork. The winners were selected and appreciated for their outstanding performances and innovative ideas.

The Number Ninja event successfully transformed mathematics into an adventure of discovery, reinforcing JVK's commitment to making learning interactive, joyful, and intellectually stimulating.

## CELEBRATING LANGUAGE EXCELLENCE: SPELL BEE 2025

The much-awaited Spell Bee Competition was held at JVK School on the 27th of October, offering students an excellent platform to exhibit their vocabulary skills, spelling accuracy, and presence of mind. The event served not only as a test of linguistic ability but also as a celebration of the English language, encouraging students to explore the beauty of words and their meanings.

The competition aimed to enhance students' command over English, improve pronunciation, and develop attentive listening and concentration skills. Participants from various grades took part with great enthusiasm and confidence, spelling even the most challenging words with remarkable precision and composure. The event also emphasized the importance of consistent learning, self-discipline, and a love for language.

The Spell Bee not only enriched the students' vocabulary but also instilled in them the values of perseverance and sportsmanship—reflecting JVK's commitment to promoting academic excellence through fun-filled and intellectually stimulating activities.

## JVK IGNITES THE SPIRIT OF SPORTSMANSHIP WITH THE COMMENCEMENT OF “POWER PLAY 2025”

The corridors and playgrounds of JVK reverberated with exuberance and anticipation as the institution kickstarted its grand intra-school sports fest, “Power Play 2025,” on the 14th of October. The inaugural ceremony symbolized not merely the commencement of a series of athletic contests, but the celebration of resilience, discipline, and the indomitable human spirit. The event served as a dynamic platform where physical prowess met strategic intellect, underscoring JVK’s enduring commitment to holistic education that transcends the boundaries of the classroom.

The meticulously orchestrated opening day witnessed the confluence of youthful enthusiasm and competitive zeal, as participants from various grades prepared to engage in a spectrum of track and field events, team games, and skill-based competitions. The event’s framework was thoughtfully designed to cultivate sports ethics, leadership acumen, and collaborative synergy, reflecting the school’s progressive educational ethos. The thunderous cheers of the audience, infused the ambience with a sense of unity and determination, setting an inspiring tone for the days to follow in this celebration of athletic excellence.

## JVK SHOWCASES SPORTING EXCELLENCE IN INTERSCHOOL FOOTBALL TOURNAMENTS

Joseph Vidhya Kshetra (JVK) continued its tradition of sporting excellence by participating in a series of interschool football tournaments in October 2025.

The Under-15 team represented JVK in the VIS Interschool Tournament at Kelambakkam, displaying strong teamwork and precision. In the Omega International School Under-19 Tournament held on 12th October at Kolapakkam, the senior players showcased skill and sportsmanship.

Adding to the glory, the Under-14 team secured the Runner-Up position in the Trixquad Interschool & Academy Tournament at ARK Sports Academy on 18th October.

These achievements reflected JVK’s commitment to nurturing talent, discipline, and excellence in both academics and sports.

## “BLOOMING GIRLS” – A HYGIENE AWARENESS SESSION FOR HIGHER SECONDARY STUDENTS

On the 16th of October 2025, Joseph Vidhya Kshetra organized an enlightening and interactive session titled “Blooming Girls”, exclusively designed for the girl students of the Higher Secondary section. The session aimed to promote awareness on personal hygiene, health management, and emotional well-being, empowering adolescent girls with essential knowledge to navigate this crucial stage of growth with confidence and self-care.

Led by experienced resource persons, the program provided scientific insights into menstrual health, nutritional care, and hygiene practices, while also addressing common myths and misconceptions in a sensitive and supportive environment. The interactive discussions and demonstrations encouraged students to voice their queries freely, fostering openness and self-awareness.

The initiative reflected JVK’s continuous commitment to holistic education and student well-being, ensuring that its learners are nurtured not only intellectually but also physically and emotionally, to grow into confident, responsible, and self-assured individuals.

“Good hygiene is not just a habit – it’s self-respect in action.”

## VIJAYA DASHAMI ADMISSIONS INAUGURATED WITH GRACE AND REVERENCE AT JVK

The auspicious occasion of Vijaya Dashami marked a significant milestone at Joseph Vidhya Kshetra, as the Vijaya Dashami Admission Ceremony was ceremoniously inaugurated on the 2nd of October 2025. Organized and conducted by the KG Department, the event embodied the spirit of new beginnings and symbolized the start of another promising academic journey.

The ceremony was graced by the esteemed presence of Sr. Sasikala, Correspondent, DFT Group of Schools; Sr. Jeyanthi, Campus Superior; Mr. Ignatius Xavier, Director, DFT Group of Schools; and Mr. Manoj V. A, Principal of JVK. Their presence lent grandeur and sanctity to the occasion as they jointly inaugurated the admission process for the academic year 2026–27. On this notable day, new students were warmly welcomed and officially enrolled into the JVK family, marking the commencement of their educational journey in an atmosphere filled with enthusiasm and optimism. The event reflected JVK’s unwavering commitment to nurturing young learners through holistic education, fostering intellectual curiosity, and instilling a lifelong love for learning.
