## Principal's Desk

Join us in the first week of November 2025 for Splendid Eureka, JVK's much-awaited science extravaganza! This unique platform brings together students, parents, and educators to explore the wonders of science, creativity, and discovery. Parents and children must come together – not just to witness, but to participate, collaborate, and innovate. Let's build a vibrant space where every student's dream can take flight. From hands-on experiments to awe-inspiring innovations, Splendid Eureka is more than an event – it's a celebration of young minds and their limitless potential. Let's excel together, inspire together, and create a future driven by curiosity and passion!

All the best.

## PRIDE OF JVK: TEACHERS RECOGNIZED FOR EXCELLENCE

Excellence in teaching was celebrated at Joseph Vidhya Kshetra as three of its dedicated educators received distinguished recognitions this September.

On 5th September, Mrs. Sibia, Coordinator of Higher Secondary, was conferred the Best Teacher Award in the Shreshtha Acharya Award ceremony. Her commitment to academic rigor and her outstanding contribution to students' success earned her this remarkable honour.

Further adding to the institution's pride, Mrs. Monica from the Primary Department received the "Acharya Mani" Best Teacher Award at the CSSC Award Function on 13th September. Her innovative teaching practices and child-centered approach were highly commended.

Adding another feather to JVK's cap, Ms. Farhana was honoured with the prestigious Sudhir Surana Award – 2025 for her exceptional dedication and impactful contributions to the field of education.

These accolades stand as a testament to JVK's ethos of excellence in education and the unwavering dedication of its faculty.

## TEACHERS' DAY CELEBRATION AT JVK

The corridors of JVK reverberated with joy and reverence as the institution commemorated Teachers' Day on the 4th of September with remarkable grandeur. The celebration unfolded as a vibrant blend of gratitude, festivity, and

admiration for the teaching fraternity.

The event commenced with the solemn lamp-lighting ceremony, symbolizing the illumination of wisdom. Thereafter, students captivated the gathering with a spectrum of cultural presentations – mellifluous songs, eloquent speeches, a spirited dance performance, and a thought-provoking skit. Each item conveyed heartfelt appreciation for the teachers' guidance and dedication.

Adding a spirited dimension to the day, numerous games were organized for the teachers, filling the atmosphere with laughter and camaraderie. The enthusiastic winners were honored with prizes, much to the delight of both students and staff.

In his address, the Principal extolled the teachers' indispensable role as mentors and architects of future generations, highlighting that the vocation of teaching extends beyond instruction to character-building and value formation. The celebration culminated with the felicitation of faculty members, where tokens of appreciation were presented as emblems of profound gratitude.

Thus, the Teachers' Day celebration at JVK emerged as a resplendent affirmation of the timeless bond between teachers and students – a bond that continues to enlighten, inspire, and endure.

## NURTURING WELLNESS: HEALTHY FOOD FESTIVAL AT JVK

On the 3rd of September, JVK became the epicenter of culinary creativity and nutritional awareness as the Healthy Food Festival was orchestrated by the students of Grades VI to VIII. The initiative sought to underscore the indispensability of wholesome eating while simultaneously fostering innovation and teamwork among the young participants.

The ambience of the school was transformed into a vibrant mosaic of flavors, hues, and aromas. The students curated an impressive repertoire of health-conscious delicacies — ranging from sprout-infused salads and millet-based savories to artistically arranged fruit platters and invigorating beverages. Each stall was not merely a gastronomic delight but also an educative tableau, adorned with persuasive slogans, illustrative charts, and meticulously crafted displays extolling the virtues of balanced nutrition.

What elevated the festival further was the interactive engagement of the students, who elucidated the nutritional constituents and benefits of their culinary creations with remarkable confidence and clarity.

Thus, the Healthy Food Festival at JVK transcended the bounds of a mere exhibition and stood as a resplendent testament to the synergy of knowledge, creativity, and responsibility — inspiring the entire fraternity to embrace nourishment as a cornerstone of well-being.

## JOURNEYS OF DISCOVERY: ENRICHING EXCURSIONS OF JVK

The students of Joseph Vidhya Kshetra embarked upon a series of exhilarating excursions during the month of September, each meticulously curated to provide both educational enrichment and recreational exposure.

On 15th September, the Higher Secondary students set out for an expedition to the serene hill station of Yelagiri. The itinerary included distinguished tourist destinations such as Punganoor Lake, Nature Park, and the remarkable Fundera Park, which houses more than 300 exotic avian species from across the globe. The students also explored the Government Herbal Farm and several other scenic attractions. This excursion amalgamated natural splendor with cultural insights, rendering Yelagiri an exemplary pedagogical retreat.

Subsequently, on 16th September, the Middle School students journeyed to Puducherry, an erstwhile French colony renowned for its cosmopolitan aura. The excursion featured visits

to the Dr. A.P.J. Abdul Kalam Science Centre, the international township of Auroville, picturesque beaches, the quaint French colony, and the recreational wonderland Pogo Land. This carefully orchestrated trip offered a synthesis of scientific curiosity, cultural exploration, and leisure.

These sequential excursions not only rejuvenated the young minds but also broadened their horizons by integrating experiential learning with recreational engagement. The institution's initiative epitomizes its commitment to holistic education, wherein intellectual pursuits harmonize with cultural appreciation and environmental awareness.

### TERMINAL ASSESSMENTS: A TESTAMENT TO SCHOLASTIC RIGOR

The Terminal Examinations at Joseph Vidhya Kshetra commenced on 22nd September and concluded on 30th September. The academic evaluation was conducted in a phased manner across various scholastic levels.

For the students of Kindergarten through Grade IX and Grade XI, the assessment marked the First Terminal Examination, serving as a comprehensive appraisal of their curricular assimilation and conceptual proficiency acquired during the initial term. Conversely, the students of Grade X and Grade XII undertook their Second Terminal Examination, a more

rigorous evaluative framework designed to consolidate their preparedness for the forthcoming board examinations.

These examinations were not merely instruments of assessment but also pivotal benchmarks in the academic continuum, enabling educators to monitor progression, identify learning gaps, and reinforce scholastic competencies. The structured schedule reflected the institution's unwavering commitment to academic rigor and pedagogical excellence, ensuring that every learner was adequately equipped for both present challenges and future milestones.

### PARENT-TEACHER MEETING: A PLATFORM FOR COLLABORATIVE PROGRESS

A Parent-Teacher Meeting (PTM) was convened on 30th August at Joseph Vidhya Kshetra for the students of Kindergarten to Grade IX.

The primary objective of this interactive session was to provide parents with a comprehensive appraisal of their wards' academic progress, while also discussing strategies to further enhance

Learning outcomes. Teachers shared constructive feedback on student performance, participation, and overall development. Parents, in turn, were encouraged to collaborate closely with the school in nurturing effective study habits and fostering a supportive home-learning environment.

The PTM served as an invaluable platform to strengthen the school-parent partnership, ensuring that every learner benefits from sustained guidance and encouragement. By emphasizing both academic proficiency and holistic growth, the institution reaffirmed its commitment to maintaining high standards of educational excellence.

### **HONOURING WISDOM AND LOVE: GRANDPARENTS' DAY CELEBRATION AT JVK**

The Grandparents' Day Celebration at Joseph Vidhya Kshetra was observed with immense reverence and delight on 6th September. The occasion was graced by the Chief Guest, Mr. Thiyagarajan, and the Guest Speaker, Rev. Father Jeniffer MMI, Assistant Priest of Melmanagar.

The event paid tribute to the immeasurable role of grandparents in shaping family traditions, instilling values, and fostering intergenerational bonds. The distinguished guests emphasized the importance of honoring the elderly as the custodians of wisdom and cultural heritage.

To mark the celebration, a series of engaging

competitions such as No-Flame Cooking and Garland Making were conducted. Grandparents participated with remarkable enthusiasm, and their creativity and talent were warmly appreciated. Prizes were awarded to the winners, adding a spirit of joy and recognition to the day.

The celebration concluded with vibrant cultural performances by students, expressing themes of love, respect, and gratitude towards grandparents. The occasion stood as a memorable blend of tradition, affection, and festivity, reaffirming the institution's commitment to value-based holistic education.

### **STRENGTHENING LSRW SKILLS WITH MIKIDS**

A special training session on MiKids was conducted at Joseph Vidhya Kshetra, focusing on enriching the language proficiency of young learners. The session was facilitated by Mr. Kennit and Mr. Karthick Kumar, who provided valuable insights into interactive teaching strategies and skill-based pedagogy.

The MiKids program is essentially a digital platform designed to strengthen Listening, Reading, and Speaking skills. Students are required to listen and reciprocate the words, thereby improving their pronunciation, diction, and slang. The Kindergarten facilitators took this session with the objective of enhancing the students' LSRW (Listening, Speaking, Reading, and Writing) competencies through structured, activity-based learning.

This initiative proved highly beneficial in equipping educators with effective methodologies to foster a student-centered and technologically enriched learning environment, aligning with the institution's vision of academic innovation and holistic education.

### **TWIST, TURN, TRIUMPH – RUBIK'S CUBE CHALLENGE AT JVK PRIMARY**

A Rubik's Cube Competition was held on 13th September for the students of Grades III to V at Joseph Vidhya Kshetra. The contest aimed at sharpening logical reasoning, concentration, and problem-solving abilities while nurturing a spirit of healthy competition.

The participants showcased remarkable enthusiasm and perseverance in solving the puzzle within the given time. The results were announced, and prizes were awarded to the winners, making the event both thrilling and rewarding. The competition not only boosted analytical thinking but also inspired students to approach challenges with patience and determination.

### **SHOWCASING HERITAGE: EXHIBITION ON TRADITIONAL HANDICRAFTS**

An exhibition on Traditional Handicrafts was organized by the Tamil Department on 13th September at Joseph Vidhya Kshetra. The event was hosted by Rev. Sr. Sasikala and Principal Mr. Manoj V.A., adding dignity and encouragement to the occasion.

The students of Grade VIII actively participated by preparing and displaying a variety of exhibits that showcased traditional craftsmanship. The exhibition not only enhanced students' creativity and research skills but also instilled a sense of pride in preserving cultural traditions.

The initiative provided a vibrant platform for experiential learning, allowing students to connect academics with cultural appreciation.

## FOSTERING ACADEMIC EXCELLENCE: TOPPERS' MEET AT JVK

The Toppers' Meet is conducted regularly in the premises of Joseph Vidhya Kshetra for the students of Grades I to XII. These sessions provide a platform to recognize academic achievers and motivate them towards sustained excellence.

The school's Principal, Mr. Manoj V.A, along with the Vice Principals — Mrs. Lalitha, Mrs. Nagalakshmi, and Mrs. Sara Sarulekha — encourage the toppers through appreciation and inspiring guidance. Their consistent support not only celebrates achievement but also instills confidence, discipline, and leadership qualities in the students.

This initiative reflects the institution's commitment to nurturing talent and fostering a culture of academic rigor and continuous improvement.

## GUIDING DREAMS TO THE SKY – AVIATION ORIENTATION FOR SENIOR STUDENTS

On the 17th of September, the students of Grades XI and XII of Joseph Vidya Kshetra were privileged to attend an enlightening orientation session on Career Guidance in Aviation. The programme was organized in collaboration with Romeo International and aimed at broadening the horizons of aspiring students by acquainting them with the multifaceted opportunities in the

aviation industry.

The resource persons from Romeo International delineated the dynamic avenues within aviation—ranging from piloting and aeronautical engineering to ground handling and cabin crew management. The session was both informative and motivational, instilling in students a sense of aspiration and clarity about the pathways leading to a promising career in the skies.

Such initiatives not only foster awareness but also enable students to make informed academic and professional choices, thereby equipping them to navigate the competitive global scenario with confidence.

## DISTO PHASE-I: MINDS IN ACTION

On the 19th of September 2025, Joseph Vidya Kshetra conducted the Disto Phase-I Examination for students of Grades VI to IX. The assessment was meticulously designed in the form of multiple-choice questions (MCQs), encompassing the core disciplines of Science and Mathematics.

The objective of the examination was to evaluate not only the conceptual clarity of students but also their analytical and problem-solving skills. Students participated with keen interest, demonstrating their preparedness and competitive spirit. Such initiatives provide a valuable platform for learners to gauge their academic progress and enhance their critical thinking abilities, thereby laying a strong foundation for future scholastic achievements.

### CAPACITY BUILDING SESSION ON MANAGING HYPERACTIVE LEARNERS

In pursuit of fostering pedagogical excellence and cultivating a conducive academic environment, a capacity-building session was convened for the faculty members of Grades VI to VIII. The session, facilitated by Mrs. Anila Arjun, the counsellor of JVK, was meticulously designed to equip educators with efficacious strategies for managing hyperactive students within the classroom milieu.

Through an erudite blend of theoretical perspectives and pragmatic approaches, the resource person illuminated techniques that emphasized patience, empathy, and structured engagement. The discourse underscored the imperative of inclusive pedagogy, wherein the diverse learning needs of every child are acknowledged and nurtured. The session proved to be both enlightening and empowering, enabling teachers to navigate behavioral

challenges with confidence while sustaining an atmosphere of holistic learning. The school community extended its sincere appreciation to Mrs. Anila Arjun for her invaluable guidance and expertise in enriching the professional competence of the teaching faculty.

### JVK STUDENTS SHINE WITH DISTINCT ACHIEVEMENTS

The students of Joseph Vidya Kshetra once again brought laurels to the institution through their remarkable accomplishments across diverse fields. Students of the Middle School and Higher Secondary enthusiastically participated in the Science Expo hosted by Dhanalakshmi College of Engineering, showcasing their innovative ideas and scientific temperament.

Adding to the pride of the school, Monish Shankar of Grade IX C emerged as the State Champion in Abacus, a testimony to his exceptional analytical skills and perseverance. At the inter-school level, Sanjeev and John Rubin secured laurels at St. Joseph's Residential School, Sriperumbudur, by

bagging the First Place in Under-14 Chess and Badminton, earning medals and certificates of recognition.

Further, in the DFT Tournament held on the 29th and 30th of August, with participation from all DFT group schools, our students exhibited commendable sportsmanship and determination. They clinched the Second Place in Football, First Place in Badminton, Second Place in Throwball, and Third Place in Athletics Relay, adding yet another feather to the school's cap.

These achievements stand as a testament to the unwavering dedication of our students and the steadfast guidance of their mentors, reflecting the school's commitment to nurturing excellence in both academics and co-curricular pursuits.

gave children the opportunity to showcase their culinary creativity, blending taste with nutrition in delightful presentations.

For the Primary students of Grades III to V, a 'Tell-a-Tale' Competition was conducted, encouraging young storytellers to weave narratives with eloquence and imagination. Their expressive performances not only reflected linguistic skills but also highlighted the power of storytelling in shaping confidence and creativity.

These events, vibrant with enthusiasm and innovation, provided a platform for students to express themselves beyond the classroom and fostered a spirit of joy, learning, and holistic development.

## NURTURING CREATIVITY AND EXPRESSION IN YOUNG LEARNERS

Joseph Vidya Kshetra has always placed equal emphasis on academics and co-curricular pursuits, creating avenues for students to explore their creativity and talents. In line with this vision, a series of engaging competitions were organized on the 6th of September.

The Pre-Primary section enthralled everyone with their Fancy Dress Competition on Space Characters, where the little ones, adorned in imaginative costumes, brought alive the mysteries of the cosmos with confidence and charm. Alongside, the Mini Master Chef Activity
